1961

# INDEX TO VOLUME 96

JANUARY TO JUNE, INCLUSIVE

1961

Articles are indexed under subject and author. Abbreviations used are: Ja, January; F, February; Mr, March; Ap, April; My, May; Je, June; BR, book review; Ed, editorial; HOM, hospital of the month; jt auth, joint author; P, portfolio; RO, reader opinion; RR, roving reporter; SHQ, small hospital questions.

Accounting; Name plate system strips red tape from admissions .....F 112

## ADMINISTRATION

Administrator must be adept at adapting. R. Brown .....Ap 93  
American Association of Hospital Consultants hear criticism of laboratories; directors and hospitals accused of profiteering. L. Freeman .....My 76  
Differences: hospitals aren't like industry (Ed) .....My 68  
Doctors and hospitals could be great public relations team. G. Davis .....Ja 12  
Hospital officials take "craven stand" on aged issue, Cruikshank charges .....My 156  
Negro doctors sue 56 Chicago hospitals, charge race ban .....Mr 104  
Politics of power in a hospital. R. Vigners .....My 89  
Speakers give men who manage hospitals two-day "cram course" in administration .....Mr 108

## ADMITTING AND DISCHARGE

Name plate system strips red tape from admissions .....F 112  
Poor admittance policies put hospitals on the front page. G. Davis .....Je 12  
Why walk in wheel chair? D. Shaw (RO) .....F 6

*Air-borne infection. See Infection control*

AITA, A. A. and HARNISH, JAY DEWEY. Art work gives maternity pavilion elegant air .....Ja 81  
American College of Hospital Administrators; Speakers give men who manage hospitals two-day "cram course" in administration .....Mr 108  
American College of Surgeons; Intensive care units help give doctors peace of mind, surgeons told at meeting .....Ap 88

## AMERICAN HOSPITAL ASSOCIATION

Association executives view new film, hear both sides of formulary issue .....Mr 106  
Bargain: A.H.A. headquarters building (Ed) .....F 79  
E. M. Bluestone receives A.H.A. service award .....Ap 168  
AMERICAN MEDICAL ASSOCIATION  
A.M.A. sizzles, accuses C.B.S. of "dis-service" in television program .....Mr 174  
Doctors told what it costs to educate house staff at Rhode Island Hospital .....Mr 107  
Insurance actuary claims public being misled about social security financing .....My 165  
Whirl away (Ed) .....Ja 58

*Architecture. See Planning*

*Aseptic technic. See Infection control; Surgery dept.*

Oklahoma Hospital Association officers .....F 174  
Southeastern Hospital Association .....My 157  
Southeastern Society of Hospital Pharmacists officers .....F 177  
Tri-State Hospital Assembly .....Je 142  
Western Hospital Association .....Je 149  
AUSTIN, PHILIP A. These nursing homes stress activity (P) .....Ap 105  
Automation brings boom to special surgery. A. Maranga .....F 88

BACHMEYER, ROBERT W. jt auth See HAY, LYLE

BARTON, JANE. How central service delivers goods .....Mr 87  
What hospitals should know about hepatitis .....My 69

BEATY, F. HAZEL. Menus for July 1961 .....Je 120  
*Bed complement. See Hospitals and health facilities*

BEDDOW, JOHN H. This hospital put fair play to work (RR) .....My 8  
Beds and accessories; Suspension sling offers support at ten points. J. German .....Ja 86

BEYER, Lt. C. E. and others. How to make menu fit meal .....Je 112

## BIOGRAPHY

Bachmeyer, Robert W. .....Ap 124  
Bloch, J. W. .....F 136  
Chase, Mildred L. .....My 144  
Deems, William A. .....Ap 101  
Donaldson, Beatrice .....Mr 148  
Hay, Lyle .....Ap 124  
Horty, John F. .....Ja 71  
Johnson, Emmett R. .....F 118  
McLaughlin, Herbert P. .....My 81  
Ribicoff, Abraham .....Je 63  
Rutherford, Warren .....Ap 124  
Sparkman, John J. .....Ap 110

BLOCH, J. W. Cafeteria keeps employee complaints in line .....Ja 108  
New kitchen moves to centralized service .....F 134

## BLOOD AND PLASMA BANKS

Anesthesia increases transfusion hazards. R. Myers and others .....Mr 130  
What hospitals should know about hepatitis. J. Barton .....My 69

## BLUE CROSS

Blue Cross Association discusses coverage of unemployed, financing of aged care .....Je 152  
Blue Cross Association holds first conference on public relations .....Ja 136  
Ohio Blue Cross plan gets rate raise — 8 per cent less than requested .....Ja 134  
Principle (Ed) .....Ja 58

## BLUE SHIELD

New York Blue Shield announces more benefits under physicians' service coverage .....Ja 146  
Pennsylvania commissioner tells Blue Shield to loosen ties with state medical society .....Mr 77  
Principle (Ed) .....Ja 58

## BOOK REVIEWS

Epidemiology and Mental Illness .....Je 8  
Hospital Infection. Mark H. Lepper .....Je 6  
Planning Surgical Suite. Robert S. Myers .....Mr 196

BOWLES, GROVER Jr. Don Francke reviews pharmacy audit to society of hospital pharmacists .....Je 100  
Pharmacist has important role in keeping drug costs reasonable .....Mr 134  
Physician, nurse and pharmacist need to understand stop orders .....Ja 92  
P & T committee has many functions .....F 132  
Ten-point review can reduce costs of operating pharmacy .....Ap 129  
Written policies and procedures improve pharmacy management .....My 117  
BRONSON, GERALDINE M. Teens have picnic helping hospital (RR) .....Je 10  
BROWN, RAY E. Administrator must be adept at adapting .....Ap 93

## CAREERS IN HOSPITAL

Dolls do dual public relations job. W. Kass (RR) .....My 10  
Students get career preview "on location." C. Platou and L. Palmquist .....Je 144

## CENTRAL SERVICE DEPT.

- Better production is engineer's job; professionals set standards. R. Friese and S. Janows (P) .....Mr 81
- "Buckets" prove practical (SHQ) .....Ja 52
- Central service has to serve 12 buildings: St. Francis Hospital, Hartford, Conn. (P) .....Mr 99
- Central service operates out of clinic building: Henry Ford Hospital, Detroit (P) .....Mr 102
- Every plan must be adapted to hospital's special needs. D. Errera (P) .....Mr 80
- First rule in designing central service department: keep supply lines open. M. Worthen (P) .....Mr 86
- How central service delivers goods. J. Barton (P) .....Mr 87
- In this plan, service starts at top and works down: Jewish Medical Center, Baltimore (P) .....Mr 101
- Movable worktables keep work flexible: Broward General Hospital, Fort Lauderdale, Fla. (P) .....Mr 96
- Pharmacist is supervisor of central service unit: Worcester (Mass.) City Hospital (P) .....Mr 94
- Receiving and dispensing are served by same elevator: Harper Hospital, Detroit (P) .....Mr 95
- Special report: planning central service (P) .....Mr 79
- Straight line plan has space for cart parking: The Hospital, Sidney, N.Y. (P) .....Mr 98
- Substerile units augment central supply service: Penrose Hospital, Colorado Springs, Colo. (P) .....Mr 100
- Supplies move vertically to nursing floors: Wayne County General Hospital, Eloise, Mich. (P) .....Mr 97
- When planners don't plan, employees must improvise. F. Markus and R. Sleight (P) .....Mr 84
- CHASE, MILDRED L. How to teach housekeeping to housekeepers .....My 142
- Leadership begins with understanding people .....Je 122
- What an administrative housekeeper is and does .....My 144
- Cleaning methods. See Housekeeping dept. Clinical laboratories. See Laboratories*
- COE, FRANCIS M. Volunteers learn how to play with children .....F 104
- COHODES, AARON. What hospitals are doing about unions .....F 81
- Communicable disease hospitals and depts.; What hospitals should know about hepatitis. J. Barton .....My 69
- COMMUNITY AND HOSPITAL
- Cool head helps in deciding how to react to public attack. G. Davis .....Mr 12
- Teens have picnic helping hospital. (RR) G. Bronson .....Je 10
- What do we mean by "hospital support"? R. Elling .....Ja 84
- CONNERY, GEORGE. First hundred days of Secretary Ribicoff .....Je 63
- Cost of medical care; Pharmacist has an important role in keeping drug costs reasonable. G. Bowles .....Mr 134
- Costs; Doctors told what it cost to educate house staff at Rhode Island Hospital .....Mr 107
- COUNCILS
- Chicago Hospital Council .....Mr 188
- Chicago Hospital Council .....Je 156
- Georgia regional hospital councils officers .....F 180
- Michigan Health Council officers .....F 172
- CRAVITZ, LEO AND TYLER, VIRGINIA. Gas sterilization adds to life of surgical gloves, tests show .....My 106
- DAVIS, GORDON. Changing hospital horizons require new guideposts in public relations .....My 12
- Cool head helps in deciding how to react to public attack .....Mr 12
- Doctors and hospitals could be great public relations team .....Ja 12
- Poor admittance policies put hospitals on front page .....Je 12
- Public may judge hospital by appearance of its publicity .....F 12
- Recipe for public relations: planning and strong support .....Ap 12

## DECORATION

- Art work gives maternity pavilion elegant air. A.A. Aita and J. Harnish .....Ja 81
- Murals depict history of medicine (RR) Mr 10
- DEEMS, WILLIAM A. Nursing home is at hospital's doorstep (P) .....Ap 99
- Departmental relations. See Administrators; Medical staff*
- Design. See Planning*
- DIETARY DEPT.
- Bright salads give lift to summer menus. I. Lucas .....Je 116
- Cafeteria keeps employee complaints in line. J. Bloch .....Ja 108
- Cheese puts protein back into meatless meals .....Mr 140
- Cost of serving chicken is chicken feed. D. Zumsteg .....Je 110
- Dietary practices often differ from accreditation standards. J. Hartman .....My 128
- Food service departments need clearly written policy manuals. J. Hartman .....Ja 116
- Hospital kitchen is no place for careless dishwashing technics. J. Hartman .....Je 118
- How to keep diet changes in order. J. Hartman .....F 142
- How to make menu fit meal. C. E. Beyer and others .....Je 112
- How to put variety into soup recipes .....F 138
- Ice cream is economical dessert — especially if you make it yourself. J. Hartman .....Ap 146
- Menus .....Ja 118; F 144; Mr 154; Ap 148; My 130; Je 120
- New kitchen moves to centralized service. J. Bloch .....F 134
- Pocket-size card keeps special diet descriptions at physicians' fingertips. A. Hogau and M. Johnson .....Je 115
- Temporary kitchen is equipped to serve hospital permanently .....F 136
- There's method to this food service plan. S. Soltis and K. Spencer .....Ap 134
- These signs lead supervisors to sound training program. J. Hartman .....Mr 150
- Training helps food service employees see how diet is related to disease. M. Graham .....Ap 144
- Trucks give hot food lift to disaster areas (RR) .....Mr 10
- U.S.D.A. unscrambles egg buying; provides standardized grading service. E. Handy .....My 126
- Work sampling simplifies work scheduling. B. Donaldson .....Mr 144
- Directors. See Administrators*
- Disaster service; Trucks give hot food lift (RR) .....Mr 10
- Dishwashing. See Dietary dept.*
- Disinfection. See Infection control*
- DONALDSON, BEATRICE. Work sampling simplifies work scheduling .....Mr 144
- Drugs. See Pharmacy dept.*
- Educational programs; Two hospitals may do better than one in educating interns and residents. L. Hay and others .....Ap 122
- ELINSON, JACK. It auth See MALONEY MILTON C.
- ELLING, RAY H. What do we mean by "hospital support"? .....Ja 84
- EMERGENCY HOSPITALS AND DEPTS.
- Court rules against hospital in failure to give emergency care. J. Harty .....Je 73
- Emergency care — or lack of it — can make general hospital liable. J. Harty .....F 106
- Emergency units inadequate, study shows .....My 101
- Hospital offers proper setting for skiers: Sun Valley Community Hospital, Sun Valley, Idaho .....F 114
- Hospital's legal duty may extend beyond provision of emergency care. J. Harty .....My 88
- When hospital starts emergency care it must provide best service it can. J. Harty .....Ap 116
- When hospital has emergency room it may be required to give treatment. J. Harty .....Mr 103
- Employees. See Personnel administration*

## ENGINEERING DEPT.

- Here are data on plant engineers' salaries (SHQ) .....Je 54
- Repairs cost more to correct than prevent. T. J. Hogan .....Mr 150
- EQUIPMENT
- Automation brings boom to special surgery. A. Maranga .....F 88
- "Buckets" prove practical in central supply (SHQ) .....Ja 52
- Mechanized maintenance saves money. K. Richards .....F 146
- Temporary kitchen is equipped to serve hospital permanently .....F 136
- What does it cost to equip small hospital? (SHQ) .....Ap 74
- ERICSON, M. E. It auth See BEYER, L. C. E.
- ERRERA, DORTHY. Every central service plan must be adapted to hospital's special needs (P) .....Mr 80
- Executive development. See Administration*
- Exhibits; Dolls do dual public relations job. W. Kass (RR) .....My 10
- Facilities. See Hospital and health facilities*
- Fairview Hospital, Minneapolis. Students get career preview "on location." C. Platon and L. Palmquist .....Je 144
- Fayette County Hospital, Vandalia, Ill. Nursing home is at hospital's doorstep. W. Deems (P) .....Ap 99
- FINANCIAL MANAGEMENT
- How to plan and finance nursing home. D. Nash (P) .....Ap 114
- Standards committee suggested to control equipment. P. Widman (SHQ) .....My 62
- They increased laundry output, but not costs. J. Gronseth .....Ap 150
- What do we mean by "hospital support"? R. Elling .....Ja 84
- Fire prevention and control; Recent hospital fires point up need for teaching safety, evacuation technics .....Ap 171
- FLOORS
- How to decide what flooring goes where .....Mr 164
- How to test waxed floor (SHQ) .....Mr 72
- Food. See Dietary dept.*
- Foreign hospitals. See name of specific hospital*
- FREEMAN, LUCY. Consultants bear criticism of laboratories; directors and hospitals accused of profiteering .....My 76
- FRIESE, RUDOLPH AND JANOWS, SHERWIN. Better production is engineer's job; professionals set standards (P) .....Mr 81
- GEE, DAVID A. Do housekeepers know what housekeeping is? .....Ap 154
- GERIATRIC CARE
- Hospital officials take "craven stand" on aged issue, Cruikshank charges .....My 156
- Nursing home is at hospital's doorstep. W. Deems (P) .....Ap 99
- These nursing homes stress activity. P. Austin (P) .....Ap 105
- This home takes aged "off shelf": St. Joseph's Manor, Trumbull, Conn. (P) .....Ap 111
- GERMAN, JOHN R. Suspension sling offers support at ten points .....Ja 86
- GINSBERG, FRANCES. Cystoscopic instruments require thorough disinfection technics .....F 130
- Nurses' responsibility for use of intravenous fluids is limited .....My 114
- Separate pack room for O.R. linens can reduce confusion .....Ja 94
- Surgical technical aids help to solve nursing shortage .....Je 102
- Those trained by O.R. nurses can best do surgical prepping .....Ap 132
- Wide-mesh bags more effective for laundering small O.R. linens .....Mr 137
- GLOVES
- Gas sterilization adds to life of surgical gloves, tests show. L. Cravitz and V. Tyler .....My 106
- How disposable and reusable gloves compare. M. Struve and E. Levine .....My 111

# NURSING SERVICE DEPT. Cont.

Four nursing patterns fit smaller hospitals. F. Jensen	Ap 117
How to keep diet changes in order. J. Hartman	F 142
Nursing reorganization questioned (RO)	Mr 6
Should licensed practical nurses circulate? (SHQ)	Ja 52
Splitting nursing stations in two doubled their size: Ochsner Hospital, New Orleans	Ja 75
Surgical technical aides help to solve nursing shortage. F. Ginsberg	Je 102
Three ways to close gap in nursing. T. S. Hamilton	Je 75

# OBSTETRIC HOSPITALS AND DEPTS.

Art work gives pavilion elegant air. A.A. Aita and J. Harnish	Ja 81
Small specialized bed units lower occupancy. M. London and R. Sigmond	My 95
Where to do cesareans? (SHQ)	F 74
Ochsner Hospital, New Orleans. Splitting nursing stations in two doubled their size.	Ja 75
Operating rooms. See Surgery dept.	
Opinion polls: How doctor chooses his doctor. M. Maloney and others	F 93
Organization: Politics of power in hospital. R. Viguers	My 89
Orthopaedic Hospital, Los Angeles: design helps make long stay seem short	Ap 89

# PALMQUIST, LOWELL E. jt auth See PLATOU, CARL N.

Parenteral solutions: Nurses' responsibility for use of intravenous fluids is limited. F. Ginsberg	My 114
Parking facilities: How we controlled our parking confusion. H. Maysent	Ja 96

# PATIENT RELATIONS

Administrative rounds give patients chance to talk. A. Stern	Ja 88
Difference is in attitudes (RO)	Mr 6
How to keep hospitals quiet: summary of Public Health Service study	Ap 81
Role of patients in hospital care stressed by Illinois speakers	Ja 126
Pediatric hospitals and depts.: Suspension sling offers support at ten points. J. German	Ja 86

# PERSONNEL ADMINISTRATION

Dietary policies help workers start and stay. S. Soltis and K. Spencer	My 120
Exempt from wage law (RO)	Ap 10
Here are data on plant engineers' salaries (SHQ)	Je 54
Hospitals can't afford to be poor employers, institute speaker says	F 181
How to make words say what you mean. L. Nadler	Ja 78
Leadership begins with understanding people. M. Chase	Je 122
Must cultures be routine (on all obstetrical, surgical and pediatric personnel)? (SHQ)	My 62
Salary survey: who makes how much in hospitals?	F 96
Testing (Ed)	F 79
These signs lead supervisors to sound training program. J. Hartman	Mr 150
This hospital put fair play to work. J. Beddow (RR)	My 8
Union granted pay raises in new hospital contract	Mr 188
Wallet card has answers (RR)	Mr 10
What hospitals are doing about unions. A. Cohodes	F 81
What nursing coverage? (SHQ)	F 74
Who should control payments to interns and residents? R. Myers	Je 104

# PHARMACY DEPT.

Association executives view new film, hear both sides of formulary issue	Mr 106
Don Francke reviews pharmacy audit to society of hospital pharmacists. G. Bowles	Je 100
Pharmacist has an important role in keeping drug costs reasonable. G. Bowles	Mr 134

# PHARMACY DEPT. Cont.

Pharmacist is supervisor of central service: Worcester (Mass.) City Hospital	Mr 94
Physician, nurse and pharmacist need to understand stock orders. G. Bowles	Ja 92
P & T committee has many functions. G. Bowles	F 132
Ten-point review can reduce costs of operating pharmacy. G. Bowles	Ap 129
Two groups offer substitute proposals to F.D.A.'s new drug information regulation	F 171
What law prescribes for pharmacists. E. Johnson	F 118
Written policies and procedures improve pharmacy management. G. Bowles	My 117
Physical therapy dept.: Suspension sling offers support at ten points. J. German	Ja 86

# PLANNING

Are circular units overrated? H. McLaughlin	My 81
Called-off conference (Ed)	My 67
Computers may take guesswork out of hospital planning	My 159
Every central service plan must be adapted to hospital's special needs. D. Errera (P)	Mr 80
First rule in designing central service department: keep supply lines open. M. Worthen (P)	Mr 86
Hospital right to private decision subject to public needs, trustees advised	My 154
How to plan and finance nursing home. D. Nash (P)	Ap 114
How to plan laboratory for general hospital	Je 83
In this plan, service starts at top and works down: Jewish Medical Center, Baltimore	Mr 101
Plan puts patient care at peak at Memorial Hospital of Long Beach, Calif. (HOM)	Je 67
Small specialized bed units lower occupancy. M. London and R. Sigmond	My 95
Special report: planning central service (P)	Mr 79
Splitting nursing stations in two doubled their size: Ochsner Hospital, New Orleans	Ja 75
They built this hospital by the book: Grays Harbor Community Hospital, Aberdeen, Wash. (HOM)	My 77
They preplanned to make expansion painless: South Coast Community Hospital, South Laguna Beach, Calif. S. Volga (HOM)	Ja 67
Wheels make traffic go 'round at new St. Barnabas Hospital, Minneapolis (HOM)	F 107
When planners don't plan, employees must improvise. F. Markus and R. Sleight (P)	Mr 84
PLATOU, CARL N. and PALMQUIST, LOWELL E. Students get career preview 'on location'	Je 144
Prepayment plans. See Blue Cross; Health insurance	

# PSYCHIATRIC CARE

Action for mental health: digest of final report of Joint Commission on Mental Illness and Health	Mr 109
Who should care for psychiatric patients? G. Wayne	Ja 64

# PUBLIC RELATIONS

A cool head helps in deciding how to react to public attack. G. Davis	Mr 12
Blue Cross Association holds first conference on public relations	Ja 136
Changing hospital horizons require new guideposts in public relations. G. Davis	My 12
Doctors and hospitals could be great public relations team. G. Davis	Ja 12
Poor admittance policies put hospitals on front page. G. Davis	Je 12
Public may judge hospital by appearance of its publicity. G. Davis	F 12
Recipe for public relations: planning and strong support. G. Davis	Ap 12
PURCHASING DEPT. Standards committee suggested to control equipment. P. Widman (SHQ)	My 62
Twenty-four Maryland hospitals form purchasing plan	Ap 178

Radiology dept.; Florida hospitals reject radiologists' demand for open staffs, divided bills .....Ja 130  
 Rates; Patients pay extra costs for infections acquired during hospital stay ..F 166  
*Recipes, quantity. See Dietary dept.*  
*Records. See Medical records dept.*  
*Remodeling and renovation. See Planning; Decoration*  
 Research; Tough league (research in care or medical economics) (Ed) .....Ap 80

JULY TO DECEMBER, INCLUSIVE

1961

Articles are indexed under subject and author. Abbreviations used are: JI, July; Ag, August; S, September; O, October; N, November; D, December; Ed, editorial; HOM, hospital of the month; Jt auth, joint author; RO, reader opinion; RR, roving reporter; SHQ, small hospital questions.

Accident prevention and control. See Safety

## ACCOUNTING

- How to make sure "big charges" are posted. R. Reeves .....Ag 85
- How to set up accounts (SHQ) R. M. Shelton .....Jl 52
- Accreditation: Annual report gives credit to accreditation .....D 82

## ADMINISTRATION

- How can nurses serve two masters? E. Aynes .....O 111
- How good are master's degree programs? F. LeRocker .....D 87
- It's hospital's business to be business. K. Klicka .....S 120
- New staff meeting requirements are reasonable — and overdue. R. S. Myers .....Jl 102
- What executive housekeeper can contribute to management. L. Hall .....N 150
- Priority plan determines who operates when. J. Prout and D. Corey .....S 97

## ADMITTING AND DISCHARGE

- Examiners report patient funds, drugs mishandled at Ohio state hospital .....Ag 144
- How to discharge patients (SHQ) .....Jl 52
- Air-borne infection. See Infection control
- Air conditioning: One way to cool O. R. (SHQ) .....O 72

Allowances and adjustments. See Rates

- American College of Surgeons: Emergency departments need replacement or renovation, surgeon's study committee reports .....N 69
- American Hospital Association: Convention .....O 75

## AMERICAN MEDICAL ASSOCIATION

- A.M.A. gets tougher with unethical doctors and more lenient with scientific osteopaths .....Jl 55
- Position on fee splitting has been incorrectly interpreted by surgeon's group. A.M.A. asserts .....D 20
- Anesthesia department: Don't forget anesthesia equipment in maintaining infection program. F. Ginsberg .....O 126
- Annual report. Annual report gives credit to accreditation .....D 82

Architecture. See Planning

Aseptic technic. See Infection control, Surgery department.

## ASSOCIATIONS

- Colorado and Wyoming get together for first joint annual meeting .....N 162
- Florida Hospital Association .....D 168
- Idaho Hospital Association .....D 161

## ASSOCIATIONS, Cont.

- Indiana Hospital Association .....D 166
- Kansas Hospital Association .....D 161
- Oklahoma Hospital Association .....D 164
- Oregon Hospital Association .....D 162
- State hospital association dues average \$0.015 per patient day, survey shows .....N 164
- Washington State Hospital Association .....D 164
- AYNES, EDITH A. How can nurses serve two masters? .....O 111

Banks. See Blood and plasma banks

- BARTON, JANE. Atromedics moves hospitals into electronic era .....N 92
- Blood centers bank on good technics .....Ag 87
- Beds and accessories: The fall of the hospital bed is not laughing matter. R. Myers .....Ag 106
- BEYER, LT. C. E. and others. How to plan menus that please patients .....Jl 108

## BIOGRAPHY

- Blumberg, Mark S. ....N 78
- Collins, Jay W. ....Jl 80
- Corey, Don A. ....S 100
- Gross, Anne .....O 101
- McNerney, Walter J. (interview) .....Jl 62
- Prout, John W. ....S 100
- Standish, Seymour Jr. ....S 105
- Switzer, Mary E. ....O 92
- Thompson, LaVerne R. ....N 114

- BLOCK, LOUIS. Do waiting lists reflect need for beds? .....S 115

## BLOOD AND PLASMA BANKS

- Beware of bootleg blood, public health officials warn New York hospitals .....D 158
- Blood centers bank on good technics. J. Barton .....Ag 87

## BLUE CROSS

- Blue Cross and insurance commissioners agree on most questions of reimbursement .....Jl 78
- Blue Cross, hospital association battle insurance plan for Michigan employees .....S 194
- Hospitals must teach public value of ties with Blue Cross. G. Davis .....Jl 12
- McNerney likes to get things moving. A. Cohodes .....Jl 62

- BLUMBERG, MARK S. "DPF concept" helps predict bed needs .....D 75

- BORSDOFF, WILLIAM B. Industry leaders discuss group purchasing; industry herd describes how manufacturers help hospitals .....N 108

- BOWLES, GROVER Jr. Hospitals should reexamine use of sample drugs .....S 134
- Hospital pharmacy attracts, but fails to hold, recent graduates .....D 116
- How to get most out of stock drug list .....N 118
- Most hospitals don't want to do bulk compounding, audit shows .....Jl 100
- Pharmacists' education, experience qualify them for committee work .....Ag 100

## BOWLES, GROVER Jr., Cont.

- Written forms are essential to control of narcotic drugs .....O 124
- Breakage and theft: Examiners report patient funds, drugs mishandled at Ohio state hospital .....Ag 144
- BROADWELL, LUCILE and others. L.P.N.'s are not "aides." (RO) .....Ag 8
- BUGBEE, GEORGE. Voluntary system is a system. (RO) .....Jl 6
- Building. See Construction
- Bulletins. See Public relations

Cafeteria. See Dietary department

- CARNER, DONALD C. Employees profit by sharing savings .....O 87
- CARPENDALE, M. T. F. Rehabilitation bridges gap between hospital and home .....O 97
- CARR, JAMES G. Jr. How to save N.L.N. accreditation program .....Jl 65
- CASWELL, H. TAYLOR. How to maintain an infection control program .....S 128

## CENTRAL SERVICE DEPARTMENT

- How to process special syringes and needles (SHQ) .....N 16
- Industrial technics are means, not end. Maj. L. J. Collins (RO) .....Jl 6
- Should central service supervisor be nurse? F. Ginsberg (SHQ) .....D 16
- CHANEY, MAUDE E. and HAWKINS, CATHERINE M. How to teach cleaning methods .....D 150
- Chaplaincy service: How small hospital made full-time use of this part-time chaplaincy program (RR) .....N 6

Charges. See Rates

- CHASE, MILDRED. How housekeeper's duties are determined .....N 146
- How to keep personnel relations personal .....Ag 128
- How to match employees with their jobs .....S 160
- Psychology is nothing if not practical. J. Myers (SHQ) .....Ag 60
- Where housekeeping fits in public relations .....O 148

- Classification in medical records. See Medical records department
- Cleaning methods. See Housekeeping department

Clinical equipment. See Equipment

- COHODES, AARON. Bonds are big issue as hospitals grow .....O 83
- Hospitals are ineffectively controlled — and here's what to do about it, researchers suggest .....Ag 65
- How to measure hospital effectiveness .....Jl 59
- McNerney likes to get things moving .....Jl 62
- COLLINS, JAY W. How doctors solved shortage of interns .....Jl 79
- COLLINS, MAJ. LEO J. Industrial technics are means, not end (RO) .....Jl 6

## COMMUNICATION SYSTEMS

- Electronics answers telephone problem. A. Stern .....S 156  
Community and Hospital: Iowa takes hospital story to school .....Jl 81

## CONSENT, LEGAL

- How proper consent protects the hospital. J. Horty .....Jl 70  
What courts have said about patient consent. J. Horty .....Ag 92  
What hospital can do when parents say "no." J. Horty .....N 101  
What kind of consent forms do hospitals need? J. Horty .....S 117  
What to do when patient can't consent. J. Horty .....D 84  
When can minor sign his own consent? J. Horty .....O 116

- Construction: Economists see 1962 as best construction year in history, Dodge forecast shows .....D 158

- Contract service: Why it may pay to buy dietary management. P. Spencer .....O 134  
Control of medical staff appointments. See Medical staff

- COREY, DON A. it auth See PROUT, JOHN W.

## COST OF MEDICAL CARE

- Hospitals are ineffectively controlled — and here's what to do about it, researchers suggest. A. Cohodes .....Ag 65  
Why hospital drug prices baffle patients. R. Myers .....Ag 67

## COUNCILS

- Southeastern New York Council .....N 174  
Twin City council, nurses sign arbitrated contract .....N 164

## CREDIT AND COLLECTION

- Hospital adopts time-payment plan (RR) .....D 8  
People who owe hospitals still get credit. T. Matherlee .....S 111  
CROWLEY, ANN. Pressure cooker takes pressure off cooks .....O 130

- DAVIS, GORDON. Are trustees being educated for their "fourth function"? S 12  
Go limit on hospital issues when seeking support of public .....S 12  
Hospital chiefs should forsake apologizing in explaining costs .....N 12  
Hospitals must teach public value of ties with Blue Cross .....Jl 12  
These ideas put "dash" into routine communication problems .....Ag 12  
Too much explanation is better than risking misunderstanding .....D 12

- DAVIS, RICHARD L. Industry leaders discuss group purchasing; hospital head explains operation of group purchasing .....N 102

- DEMING, EMILY C. Linen usage depends on many variables (SHQ) .....O 72

- Departmental relations. See Medical staff; Administrators

- DESCIPIO, FRANK J. Check these hazards before they hurt .....O 144

## Design. See Planning

## DIETARY DEPARTMENT

- Add dash of summer — with fruit .....D 130  
Hospital exhibit gives guests a taste of nutrition education, foreign cuisine .....Jl 116  
How to order food for aged residents (SHQ) .....N 16  
How to plan menus that please patients. Lt. C. E. Beyer and others .....Jl 108  
Kitchen should be clean enough to welcome visitors or inspectors. J. Hartman .....Jl 114  
New kitchen equipment saves time and space. J. Hartman .....S 152  
No hands (vending service) (Ed) .....Jl 58  
"Operation coffee cart" gives patients reason to wake up early with a smile (RR) .....O 10  
Patients cook their way back to health. I. White .....Ag 112  
"Pay-as-you-eat" pays off in new cafeteria. F. Hyde .....N 130  
Pressure cooker takes pressure off cooks. A. Crowley .....O 130  
Reports from A.D.A.; dietitians get large helping of food management techniques .....D 126

## DIETARY DEPARTMENT, Cont.

- Shared dietitian may be answer for many small dietary departments. J. Hartman .....O 140  
Simplified schedule keeps track of employees. M. Ortolano .....Ag 108  
Thermometer is key to proper refrigeration. J. Hartman .....Ag 118  
These reference books should be on food service department shelf. J. Hartman .....D 136  
This study uncorked cafeteria bottle-neck. M. Gilson .....S 142  
What dietitians ask about canned food. D. Zumsteg .....N 134  
What microwave cooking can and can't do. J. Hartman .....N 138  
Why it may pay to buy dietary management. P. Spencer .....O 134  
Why raw food costs are hard to isolate. M. Sherwood .....D 134

## DISASTER SERVICE

- Chicago hospital puts disaster lessons to work in helping 180 victims of chemical explosion .....N 170  
Hospital disaster plan rides out hurricane .....O 74a  
St. Anne's receives 180 explosion victims; makes use of earlier disaster experience .....N 162  
Drugs. See Pharmacy department  
DUKE, RAYMOND Q. How to plan for sanitation storage .....Ag 122

- Education. See Medical education; Nursing education

## ELECTRONICS

- Administrators are dominant in selection of electronic instruments .....N 87  
Atomics moves hospitals into electronic era. J. Barton .....N 92  
Auto analyzers and cell counters will soon become standard equipment for laboratories .....N 86  
Electronic equipment brings problems in purchase, use, design, policy. M. Blumberg .....N 78  
Electronic equipment in 323 hospitals reported at estimated value of \$10 million .....N 80  
Electronic instruments to improve patient care, save money, aid research .....N 88  
Electronic medical instruments make news .....N 82  
Electronic surgical instruments multiply in larger hospitals, survey indicates .....N 83  
Hospitals depend on manufacturers for servicing electronic instruments .....N 87  
Instruments for cardiopulmonary diagnosis are now standard equipment in hospitals .....N 81  
Monitoring system serves eight patients .....N 84  
Most hospitals own or plan to buy ultrasonic cleaners, study shows .....N 96  
Multipurpose physiological monitor systems may monitor 12 patients simultaneously .....N 80  
New specialist links medicine to engineering. C. Hall .....N 142  
Special devices for physical medicine and nursing improvised by surgeons and hospital engineers .....A 87  
Special measuring devices include computers, electronic thermometer, fetal heartbeat monitor .....N 83  
Survey shows widespread acceptance of electronic instruments in U.S. hospitals .....N 79  
Two-man staff keeps eye on electronics .....N 89  
What microwave cooking can and can't do. J. Hartman .....N 138  
Why automation can't replace doctor. R. Myers .....N 120

## EMERGENCY HOSPITALS AND DEPARTMENTS

- Emergency departments need replacement or renovation, surgeons' study committee reports .....N 69  
Emergency, diagnostic center planned to provide new concept of health service .....O 160  
How doctors solved the shortage of interns. J. W. Collins .....Jl 79

## EMERGENCY HOSPITALS AND DEPARTMENTS, Cont.

- Site places stress on emergency service at South Bay Hospital, Redondo Beach, Calif. (HOM) R. Williams .....O 106  
What it takes to provide good emergency room care. J. Horowitz .....S 89  
Employee. See Personnel administration

## ENGINEERING DEPARTMENT

- Check these hazards before they hurt. F. J. DeScipio .....O 144  
Forty ways to engineer plant savings. J. A. Millard .....Jl 120  
How to check piped service systems. C. Montiel .....D 140  
New specialist links medicine to engineering. C. Hall .....N 142  
Northwestern University starts program in biomedical engineering .....D 167

## EQUIPMENT

- Administrators are dominant in selection of electronic instruments .....N 87  
Atomics moves hospitals into electronic era. J. Barton .....N 92  
Auto analyzers and cell counters will soon become standard equipment for laboratories .....N 86  
Electronic equipment brings problems in purchase, use, design, policy. M. Blumberg .....N 78  
Electronic equipment in 323 hospitals reported at estimated value of \$10 million .....N 80  
Electronic instruments to improve patient care, save money, aid research .....N 88  
Electronic medical instruments make news .....N 82  
Electronic surgical instruments multiply in larger hospitals, survey indicates .....N 83  
Hospitals depend on manufacturers for servicing electronic instruments .....N 87  
Instruments for cardiopulmonary diagnosis are now standard equipment in hospitals .....N 81  
Monitoring system serves eight patients .....N 84  
Most hospitals own or plan to buy ultrasonic cleaners, study shows .....N 96  
Multipurpose physiological monitor systems may monitor 12 patients simultaneously .....N 80  
Special devices for physical medicine and nursing improvised by surgeons and hospital engineers .....N 87  
Special measuring devices include computers, electronic thermometer, fetal heartbeat monitor .....N 83  
Survey shows widespread acceptance of electronic instruments in U.S. hospitals .....N 79  
ERICSON, M. E. it auth See BEYER, LT. C. E.

## ETHICS

- A.M.A. gets tougher with unethical doctors and more lenient with scientific osteopaths .....Jl 55  
Medical society bans compulsory assessments; three doctors reinstated .....N 166  
Time for accommodation (Ed) .....D 73  
Exhibits: Hospital exhibit gives guests a taste of nutrition education, foreign cuisine .....Jl 116  
Expansion. See Planning

- Facilities. See Hospital and health facilities

- Fees and charges. See Rates

## FINANCIAL MANAGEMENT

- Bonds are big issue as hospitals grow .....O 83  
It's hospital's business to be business. K. Klicka .....S 120  
Where else to look for capital financing .....O 84

- Food contamination, preparation, purchasing, service. See Dietary department

## FUND RAISING

- Annual fund drives may give wrong impression. K. Klicka .....S 121  
Five Newark hospitals join forces to raise \$25 million for modernization and expansion .....Ag 140  
Three doctors dropped from staff over issue of building assessment .....Jl 142
